Policy statement: Financial assistance and sliding fee discounts apply to all individuals **regardless of insurance status** (insured, underinsured, or uninsured). If a client has insurance coverage, the agency will bill the insurance provider when applicable; any sliding fee discount applies to the client's responsibility, as determined under this policy.

| Service | Standard Fee |
|---|--------------|
| Initial diagnostic assessment (60–90 minutes)/ Psychiatric intake evaluation (60 minutes) | \$300 |
| Individual psychotherapy (45–53 minutes) | \$80 |
| Family/couples therapy (50–60 minutes) | \$80 |
| Group therapy (per session) | \$50 |
| Medication management / psychiatric follow-up (20–30 minutes) | \$50 |
